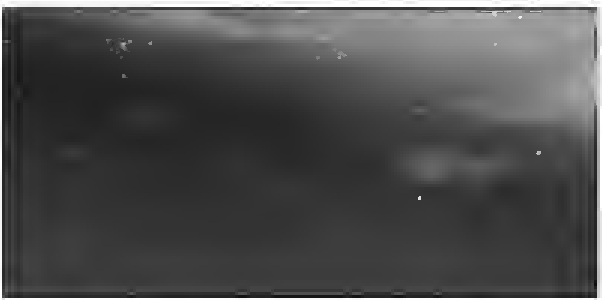
Agent of Change Translations!

L-LU JINNIAN!?

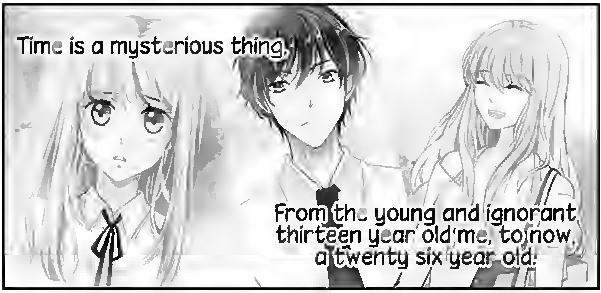
The only time you'll touch me,
Is when you're lost in clouded thoughts.
You don't really want to sleep with me...

When you wake up,
Nothing will have changed...

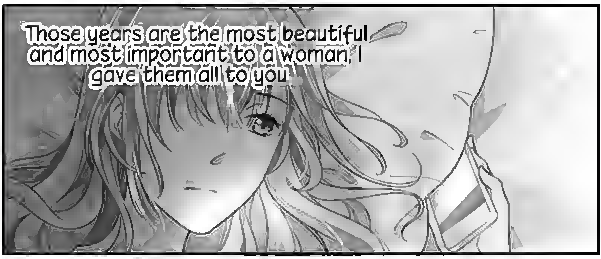


Lu Jinnian, did you know?

Only in my dreams do I dare say:
"I love you."



Time is a mysterious thing.
From the young and ignorant thirteen year old me, to now, a twenty six year old.

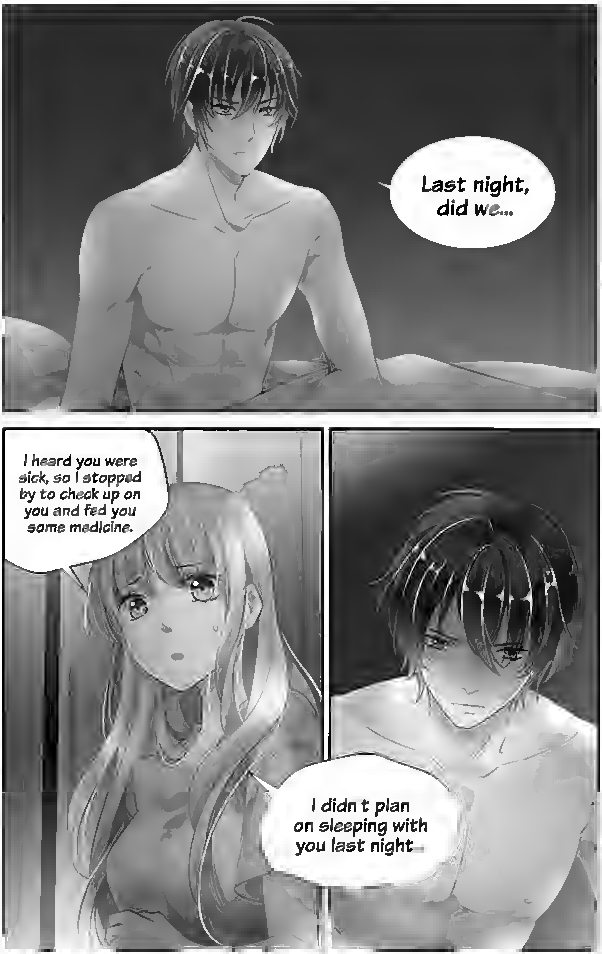


Those years are the most beautiful and most important to a woman. I gave them all to you.

Click

Physically you're within a hand's reach.
But really the distance between us is so far. I may never be able to reach you
Thanks ta tanight's mistake, when I'm alone.
I can at least pretend that yau chase ta hald me in yaur arms...

Who let you in?



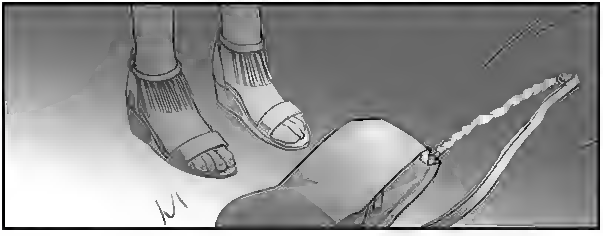
Last night, did we...
I heard you were sick, so I stopped by to check up on you and fed you some medicine.
I didn't plan on sleeping with you last night...

What do you want from me?
Last time we slept together, you wanted a role in Eternity.
What role are you expecting in return this time?

Why aren't you saying anything?
Snooping around and finding my wherebouts.
Flocking to my side after knowing that I was ill
And even taking care of me during the night
You did all this because you wanted something from me right!?

I find it hard to believe...
That you would willingly do all this without a reward of sorts in mind.
T-two days ago I visited Huanying Media, hoping to get a role in the upcoming movie Glamorous Time.
Sadly, no luck.

The other actors who auditioned are very talented, I don't know if there are any open spots left.
They've already decided on the female lead.
So if you feel indebted to me, give me the role for the second female lead.



How much longer do you intend on fooling yourself, Lu Jinnian!?
You know better than this...
You know that you're not Xu Jiamu's replacement!
